Charges for this Sub-Fund

The charges you pay are used to meet the costs of running the Sub-Fund, including the costs of administration, audit, marketing and distribution. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest:	
Entry Charge*: up to 3% (this is the maximum that might be taken out of your money before it is invested).	
Charges taken from the Sub-Fund over a year:	
Class E on-going charges **	0.20%
Charges taken from the Sub-Fund under certain specific conditions.	
Please note that no performance fees are payable to the Investment Manager.	

* The entry charge shown is a maximum figure. In some cases you might pay less – you can find this out from your financial adviser. Please note Nedgroup Investments, the Investment Manager and Distributor, does not charge an entry fee; any entry fees charged are to the benefit of the Financial Adviser and agreed with the investor prior to investment.

An anti-dilution levy may be charged on entry to or exit from the Sub-Fund, such levy will represent a provision for market spreads in order to protect the interests of existing shareholders.

**Estimated at launch by the Investment Manager. The on-going charges figure is based on expenses incurred over a financial year. This figure may vary from year to year. It excludes portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling underlying investments.

For more information about charges, please see Section 7 of the Fund's Prospectus and the Fees and Expenses section of the Sub-Fund's Supplement. The Prospectus and Supplement are available from www.nedgroupinvestments.com.
