

Required document checklist for Solar Finance Business application

Please submit the following documents to **PVSolar@mfc.co.za** – the documents that are labelled in bolded text can be downloaded from our website page.

1	Completed Application for Solar Finance Business form .	
2	Each director must complete personal details, income and expenses on an Additional Information on Juristic Person Relating to Application for Finance form .	
3	Copies of the front and back of directors' valid South African identity cards.	
4	Proof of Residence of the directors/members who are signing surety not older than 3 months.	
5	Completed copy of Ultimate Beneficial Ownership Declaration .	
6	Signed confirmation of company's shareholding from a registered accountant.	
7	If there is another shareholder who holds more than 25% of the company stake, then we require their details as we require for the director.	
8	Proof of company's income - Latest annual audited financials of the company signed by registered accountant and/or management accounts for past 12 months.	
9	Stamped copies of the company's latest 4 month's bank statements. (You may alternatively complete a DEA Consent form for the bank to request electronic bank statements from your bank, however this will not apply to customers banking with FNB or Capitec as they do not participate in DEA).	
10	Copies of the CIPC company registration documents - CK/CoR documents.	
11	Business Register Number Certificate (BRNC).	

12	Copy of Resolution from the company providing details authorised person/s to sign and act on the companies' behalf and take out a finance loan to purchase equipment. i.e. Solar solution.	
13	Proof of Business address registered in companies name not older than 3 months.	
14	A quote/invoice for a solar solution from approved Nedbank supplier.
