Notes

1 A billing cycle runs from the fourth-last business day of the month to the fifth-last business day of the following month. Your statement will show the fees for all the transactions that you have made in the previous billing cycle. In other words, you are billed one month in arrears.

2 Includes Nedbank Online Banking and Cellphone Banking.

3 These fees apply at all stores where cash at a tillpoint is offered, for example Shoprite, Pick n Pay and Score.

4 This fee applies to all transactions done through a foreign merchant and is calculated at 2% of the transaction value. For example, if you swipe your card overseas for R500, the fee will be R10.

5 We will send you 1 free statement per billing cycle for current accounts. Statements for savings accounts are available on request at a fee.

6 We can send payment notifications to third parties, but we will charge a fee for each notification.

7 While prescribed by the National Credit Act, facility fees may differ for internal banking segments.

8 Send money quickly and securely to any South African cellphone number.

9 This includes card and contactless payments.

We are committed to making our fees simple, transparent and easy.
