General conditions

1 Basis of this policy

This policy, the schedule, our correspondence to you, your application for insurance and any statement (written or spoken) that you make or that is made on your behalf, forms the contract between you and us.

2 Cover provided by this policy

- 2.1 We will provide cover under this policy only if we have received your premium as set out in section 4 below.
- 2.2 It is your responsibility to ensure that this policy offers you the cover relevant to the tyres and/or rims of your vehicle at the time you take out the policy.

3 Period of this policy

3.1 Monthly paid policies

The period of this policy is initially the period from the start date of this policy, as shown on the schedule, to the last day of the calendar month in which the start date occurs. After that, the period of this policy will be one calendar month.

A three-month waiting period applies to monthly paid policies, which means your cover will become effective only on the first day of the calendar month following the third consecutive successful premium payment and is valid until:

- 3.1.1 you stop paying your premiums;
- 3.1.2 you or we cancel your policy;
- 3.1.3 your vehicle is sold or written off;
- 3.1.4 the maximum compensation limit under your policy is reached, whichever happens first.

3.2 Annually paid policies

The period of this policy is initially the period from the start date of the policy, as shown on the schedule, to midnight on the day before the start date of the following year.

Your cover start date is indicated on the schedule and it is valid until:

4 Premium payments

4.1 Monthly premium payment by debit order

4.2 Annual premium payment by debit order

4.2.1 You must pay your premium every year by debit order before the beginning of the year to which cover applies. The year does not have to start in January – it can start in any month of the year. We will present your debit order to your paying agent on the debit order date shown on the schedule.

4.2.2 If we do not receive your premium by this date, we will present your debit order again and collect it no later than 31 days from the first collection.

4.2.3 If we cannot collect this debit order, this policy ends on the last day of the annual period for which we have received your premium.

4.3 Annual payment by electronic funds transfer (EFT)

If you pay your premium yearly by electronic funds transfer (EFT), you must pay the premium to us by the start date or renewal date of your policy. If we do not receive your premium within 31 days from the start date, your policy ends on the last day of the annual period for which we have received your premium.

7 Claims

7.1 How to claim

7.1.1 You can log onto the Nedbank MoneyApp and submit your claim. However, you must tell us as soon as possible of any event that may result in a claim and whether any other policy that you have covers the same event.

7.1.2 You must give us full details of the event within 31 days, and all the documents we may need.

7.1.3 You must tell us immediately in writing if you become aware of any possible prosecution, legal proceedings or claim against you after an event.

7.1.4 You must report any claim event that involves theft or any other criminal act to the police within 48 hours of the incident.

7.1.5 You may not, without our written consent, admit liability, make an offer or promise to pay, or actually pay, for any event that may result in a claim.

7.1.6 You may not, without our written consent, agree to any partial payment or any settlement that any third party offers to you as compensation for loss, damage or liability that your policy covers.

7.1.7 In the event of any damage, you must do everything you can to protect the vehicle from further loss or damage.

PG 8

7.1.8 In the event of pothole damage, you must take a digital photograph of the pothole that caused damage to your tyre and send it to us for possible recovery from the relevant authorities. Please do take the necessary safety precautions when capturing photographs of a pothole.

7.1.9 We reserve the right to inspect your vehicle or damage before we give authorisation.

7.2 How we settle claims

We may settle your claim in any one or more of the following ways:

7.2.1 Repairing

7.2.2 Replacing

7.2.3 Paying cash

7.2.4 Any combination of these

The limit is the amount shown on the schedule minus any excess, if applicable.

7.3 Right to repair

You may choose an independent service provider to repair your vehicle, but you will have to pay them in line with the limits of compensation. **Please note:** It remains your responsibility to ensure the independent service provider you have chosen is approved by your vehicle manufacturer to make repairs to your vehicle.

We do not have any recourse against your selected independent service provider. The independent service provider will have to carry full liability and risk for any work completed on your vehicle; we will therefore not be held liable for any loss of warranty linked to the vehicle and/or quality of workmanship by your preferred independent service provider.

7.4 Our rights after an event that may lead to a claim

7.4.1 You must allow us or our appointed agent to enter any premises required and to take possession of any damaged insured property.

7.4.2 You must give us all the information and help that we need. We may also take over the recovery, defence or settlement of a claim and handle it in your name.

7.4.3 We may, at any time, give up control of any defence, settlement or proceedings and pay you the full amount of our liability, or any lesser amount for which the claim can be settled. If we do so, we will no longer have any further liability.

7.4.4 If this policy insures you and any other person, we may give any compensation to the other person and we will no longer have any further liability.

7.5 Time limits

7.5.1 If we reject your claim or dispute the claim amount, which we will communicate to you in writing, you may, within 90 days from the date of our communication make written representations to us.

7.5.2 If we still reject your claim or dispute the claim amount, you may start legal proceedings against us. You must do this within 180 days from the date on which we communicated your written representations.

7.5.3 We are not liable after 12 months from the date of the event that resulted in the claim, unless the claim is:

- 7.5.3.1 the subject of pending court action or arbitration; or
- 7.5.3.2 for amounts for which you may become legally liable.

7.6 **No premium refund for an item or event if a claim is settled**

If we compensate you for a claim, we will not refund any premium for the remainder of the period of your cover for that event or item.

7.7 **Fraudulent or wilful acts**

You will lose all rights to claim under this policy if:

- 7.7.1 a claim or any part of it is fraudulent or if you or anyone acting on your behalf uses any fraudulent means to benefit from this policy;
- 7.7.2 a claim happens due to a deliberate, wilful or intentional act committed by you or with your involvement, or by anyone acting on your behalf or with the involvement of anyone acting on your behalf;
- 7.7.3 the claim information is untrue or the documents to support your claim are fraudulent; or
- 7.7.4 you or anyone acting on your behalf exaggerates the extent of the claim.

8 **Duty of care**

You must take all reasonable precautions and care to prevent or minimise loss, damage, death, injury or liability. You must take all reasonable steps to maintain your vehicle and keep it in a proper and efficient state. Severe driving habits, for example heavy braking, harsh acceleration, excessive cornering, excessive loads and high speeds in general, contribute towards a shorter tyre lifespan. To achieve uniform tyre wear and longer tyre life, we recommend that you rotate your tyres periodically.

9 **Your rights**

You (in this paragraph meaning the names set out in the schedule) may not cede or assign your rights or obligations to another person. No other person may make a claim against us.

The rights you enjoy under your policy are in addition to any contractual rights under statute or common law and do not detract from these latter rights.

10 **Other insurance**

If a claim is payable under this policy and under any other policy, we will pay only our proportional share of the claim.

11 **Disclosure of information that affects the risk**

For this general condition, the term 'you' includes any person acting on your behalf.

We may declare the whole or any part of this policy invalid if you:

- 11.1 have not given us all the details that affect the risk; or
- 11.2 have misrepresented or misdescribed any details that affect the risk.

You must tell us immediately of any change in the risk. If the risk changes, then we may change the cover and premium from the date of the change. If you do not tell us about any material changes in the risk, we will be entitled to cancel the policy or reject any claim that occurred after the change in the risk.

Specifically, if you replace your tyres and/or rims or change your standard tyres and rims to run-flat or low-profile tyres, you must let us know immediately and give us the odometer reading within seven days of the replacement. You must also send us a digital photograph of the replaced tyres and/or rims.

12 Excess

The excess is the amount you must pay before we can settle a claim. Our compensation is limited to the amount shown on the schedule, minus any excess. Your schedule shows when you have to pay an excess.

If the excess is based on a percentage of the loss or damage, the percentage will be applied to the amount of the loss or damage that has happened.

13 Jurisdiction and currency

This policy is valid within the Republic of South Africa only, and is subject to the jurisdiction of the courts of the Republic of South Africa and South African law applies. All payments will be made in rands.

14 Your right to privacy and sharing of your information

14.1 Sharing of information

- 14.1.1 To combat insurance fraud and to determine and properly evaluate risks, the South African Insurance Association (SAIA) has created a shared database for storing insurance information of policyholders. We will store your information in the shared database to verify any underwriting information against legally recognised sources or databases.
- 14.1.2 Fighting insurance fraud will benefit you, because fraud has an enormous effect on the short-term insurance industry. It affects the evaluation and determination of risks by insurers, and it affects you directly as it leads to higher premiums. We are serious about combating fraud and about the fair evaluation of risks, because we want to keep your premium as fair and competitive as possible.

14.2 Your right to privacy

- 14.2.1 Your privacy is important, and we will use all reasonable efforts to ensure that any information, including personal information (like your name, physical address, ID number or phone number), that you give us or that we collect from you or third parties is processed, transferred and stored in a secure manner.
- 14.2.2 We may, however, process your personal information (as defined in section 1 of the Protection of Personal Information Act, 4 of 2013, which act may sometimes change), including fingerprints, biometric personal identification details and photographs and through identity verification, to provide financial services and to detect and prevent fraud and money laundering. We may also send your personal information by electronic or other means for processing to third parties and foreign countries (if necessary) to deliver a financial service to you. You acknowledge that these countries may not have specific data privacy laws. If that is the case, we will enter into appropriate confidentiality agreements with these service providers based in the foreign countries.

14.3 Your authorisation to us

- 14.3.1 You acknowledge that, in the public interest, the sharing of information regarding claims and underwriting records by insurance companies is desirable as it enables them to assess risks fairly, issue policies and reduce the incidence of fraudulent claims. This will contribute to keeping premiums as low as possible.

1

2

3

4

5

6

7

- 14.3.2 You therefore give us permission to process and share your information for this policy for underwriting purposes or to validate a claim that you have made or that someone has made on your behalf in terms of this policy.
- 14.3.3 You give us permission to store your information in the shared database and use it as explained above.
- 14.3.4 You give us permission to give your information to any insurer or its agent.
- 14.3.5 You give us permission to verify any underwriting information against, and share it with, legally recognised sources or databases.

15 A person who deals on your behalf

You give up your right to receive compensation if a person who deals on your behalf does not comply with the conditions, exclusions or any other provisions of this policy if you claim.

16 Amendments to conform to law

You and we agree that any terms or conditions of this policy that go against any law will be changed to conform to the law.

17 Insurable interest

You may insure only items in which you have an insurable interest. You have an insurable interest in an item only if you stand to suffer a direct loss due to the insured item being lost or damaged.

18 Cooling-off period

You may cancel this policy within 14 days of the date you have received your policy documents. We will then refund any premium that you have paid during this period, if you have not submitted a claim and we have not compensated you under this policy.

19 Release of liability

It is expressly agreed and declared that we will have no liability or obligations under your policy if you do not fully comply with the terms and conditions of your policy.

20 Unavailable parts

If a part that is needed to repair the vehicle, or a third-party vehicle, is not available as a standard, ready-made part in South Africa, we will pay an amount equal to the value of the part at the time of the loss or damage, including reasonable cost to transport the part (not by air). We determine the value of the part according to the price in the most recent catalogue or price list for the vehicle.

21 Referral to a service provider

In the event you are unable to find a reputable service provider to carry out your repair, Nedbank Insurance can refer you to recommended service providers in your geographic area.

Although the service providers are recommended, you agree to fully indemnify and hold Nedbank Insurance harmless against any liabilities, claims, cost (on an attorney and own client scale), loss (including consequential loss) or damage incurred as a result of any agreement and workmanship between the service provider and yourself. Should you decide to make use of the services of any service provider you do so at your own risk. We suggest that you conclude an agreement with the service provider, setting out the rights and obligations of both parties involved.

22 Capturing of images

Nedbank Insurance is dedicated to making it convenient for clients to interact with us. For this product we will be utilising computer vision technology via image capture to aid with assessing and settling your claim.

It is important that high quality images are captured solely of the vehicle, tyre or rim. Please use our guided image capture process on the Nedbank Money App to capture eight images of the vehicle exterior and four images of the tyre and rim. To ensure quick claim assessment and settlement, please consider the following guidelines when capturing images:

- 22.1 Please ensure the vehicle you are taking a photo of is clear of any other obstructions
- 22.2 Ensure there is sufficient lighting
- 22.3 Please be mindful of any shadows
- 22.4 Kindly draw focus to the vehicle you are capturing
- 22.5 Ensure the distance from the focus point is not more than 1.5 meters
