How interest is calculated	The interest earned is calculated on the daily balance in the account based on a 365-day year. Interest is not capitalised or compounded monthly, but we pay a higher interest rate if you take the interest on maturity.	The interest earned is calculated on the daily balance in the account, based on a 365-day year.
Interest payment frequency	<ul style="list-style-type: none"> You select the interest frequency at the time of opening the investment. We can pay out interest monthly, quarterly, twice a year or yearly on a date of your choice or on maturity. 	We can pay out the interest earned monthly on a date of your choice or capitalise it to earn interest on the interest.
Possible changes to interest rate	<ul style="list-style-type: none"> The interest rate is fixed when you open the account. We can change interest rates on new investments. 	Rates are subject to change depending on changes in market rates, may be linked to prime or repo rate changes, and are at our discretion.
Electronic access	Yes	
Transactional Capability	Cheque cards or debit orders may not be loaded on the investment account.	
Stop orders	N/A	Yes, subject to a minimum amount of R100. Stop orders are permitted from a Nedbank current or savings account to the investment account at no cost to you.
Statements provided	You can view and download your monthly statement for free via our digital channels	
Statement charges	Statements are free of charge	
Statement errors	You must report errors on statements within the period indicated on the statement, otherwise it will be deemed to be correct.	You must report errors on statements within the period indicated on the statement, otherwise it will be deemed to be correct.
Cooling-off period	No cooling-off period applies.	
Other deposit-related offerings and information	<ul style="list-style-type: none"> You can get information on these deposits at any branch or at nedbank.co.za. You can open accounts at a branch as well as using our digital channels, ie the Money app and Online Banking. 	
Client identification	<p>We need the following information from a South African citizen or resident when opening an account:</p> <ul style="list-style-type: none"> Full names, date of birth and identity number, verified by a valid identity card/document. A banker can give you more detail, and tell you what documents are required for all other types of clients. You must notify us in writing or in person of any changes in your identification details and/or address and you must hand in the required supporting documents at a branch. 	
Confidentiality	<p>Your personal information, account details, name and address will be held confidential (even when you are no longer a client) and we will not disclose it to anyone, subject to the following exceptions:</p> <ul style="list-style-type: none"> Where we are legally compelled to do so. Where it is in the public interest to disclose this information. Where our interests require disclosure. Where you ask us to disclose it or give written consent. <p>But we will not disclose your account details, name or address to anyone else, including other companies in the group, for marketing purposes, unless you ask us to.</p>	
Access to information	<p>In addition to the right to query or access information relating to your deposit/account, the Promotion of Access to Information Act, 2 of 2000, governs your right to access information held by us that might be required to promote or protect your rights. We published a manual detailing how access to these records may be requested, and this is available at nedbank.co.za.</p>

Disclaimer

1. These products and their features are current at the time of printing these disclosures and are subject to change without prior notice.
2. Please discuss these product options with your banker to get more details.
3. This table is not intended to give advice, but merely sets out the various deposit options available.
4. There could be other investment options that may better suit your needs, but which are not contained in the table above.
5. We will not be liable to anyone for any loss because you relied on this contents.
6. It is your duty to get the necessary independent financial and legal advice before taking any action.
7. We will not give any income tax advice about your product choice, and you must seek independent tax advice from a suitably qualified consultant.
8. Your declaration according to your financial needs' analysis: You must ensure that all matters are considered, including the product features, incentives and cautionary disclaimers in the terms and conditions.
9. The lifetime contribution limit on a tax-free product means the maximum amount as specified by legislation. This is a cumulative limit and any deposit you make into the Nedbank Tax-free Account will be included in the yearly contribution during any tax year, regardless of any withdrawals that you may make from the account.
10. You can transfer money from one tax-free account held with us to another tax-free account held at another product provider only twice in any given tax year.

Investment processing times:

- Weekdays: We must receive instructions before 19:00 for us to process a transaction on the same day. You will receive payment into your Nedbank current or savings account the next business day. For all other account types, you will receive payment within 2 business days.
- Saturdays: We must receive instructions before 15:30 for us to process a transaction by the next business day. You will receive payment into your Nedbank current or savings account the next business day. For all other account types, you will receive payment within 2 business days.
- When we process an instruction after the cut-off times, on public holidays, and when there is more than 1 public holiday back-to-back, it can take up to 3 business days for us to process a transaction and for you to receive the money into your account.
